

# Benefits-At-A-Glance™

Benefits-At-A-Glance gives your employees access to their personal benefits plan information anywhere, anytime.

**Benefits-At-A-Glance has what your employees need to make the most out of your benefits offerings. With the app, your employees can:**

## VIEW GROUP BENEFIT PLAN OFFERINGS

You provide the plan, and the app provides the plan details through smart functionality:

- View plan highlights at a summary level or detailed level
- Search by keyword
- Filter by in- or out-of-network plan details
- Filter for documents only
- Change profiles to save viewing preferences

## CONNECT WITH CARRIERS AND VENDORS

Give your employees the ability to make informed choices with:

- Multiple contact listings, including advisor, carrier and HR info
- Hyperlinks you've embedded to external websites with additional benefits information

## ACCESS BENEFIT PLAN DOCUMENTS

Put all of your employees' documents in one place so they can access them easily, including:

- Insurance ID cards
- Summary plan descriptions
- Employee handbook
- Network/provider directory

## TRANSPARENCY. PORTABILITY. CUSTOMIZATION.

With Benefits-At-A-Glance, give your employees the fast, easy access to benefits information they need.
